<b>JOB TITLE:</b>	Quantity Surveyor
<b>REPORTS TO:</b>	Commercial Manager
<b>JOB PROFILE:</b>	Flexible working, part time or full time role available 6 month probation period Hybrid working (office, site, home)
<b>LOCATION:</b>	London and the South East (travel to sites across the UK)
<b>SALARY:</b>	£40k - £50k subject to qualification and experience. Competitive salary package, including training budgets, and healthcare.

### **JOB SUMMARY:**

Cliveden Conservation, an established and leading name in the conservation and restoration of historic buildings and statuary, is seeking to appoint a QS to develop as our business continues to grow.

Based in London and the South East, with a requirement to travel to sites across the UK, the successful candidate will work alongside our project managers and report directly to the Commercial Manager. The ideal candidate will be professional and discreet in dealing with projects of a sensitive nature and will be required to pass security clearance for key sites in London. They will have at least 3-5 years in the Heritage sector, possess strong commercial awareness and take on responsibility for the following work activities:

- Visiting sites to prepare monthly Valuations, Applications and Final Accounts
- Managing change control and variations within specific project contracts
- Working alongside the project team to manage the commercial performance of projects
- Undertake pricing and estimating for live projects and tenders
- Performing risk, value management and cost control
- Understanding the implications of health and safety regulations

**Candidates must have a driving licence and be able to travel to sites across the UK.**

**All applicants must have unrestricted right to work in the UK.**

### **APPLICATIONS**
